“I’m real excited to talk about my experience with Kangen™ Water...what happen just a few months ago really shocked me and, I believe, it will be sending another shock wave into the athletic world...I was introduced to Kangen™ Water when I was invited to attend a demonstration...I went over to check it out and considered myself fairly knowledgeable about water, as I write about it in my books and I recognize the importance...I went over and had my first glass of water and I can honestly say that, from my very first glass, I said *“Wow! There is something very different with this water”*.”

I know my body very well and I knew that I had never tasted any water like this before...there was something going on at a cellular level as the water went into my body...I started drinking the water and I watched the presentation...everything that was said during the presentation totally fit in with everything I had learned in the last 20 years...I wasn’t aware of any technology that could produce the results that I was feeling...I had been exposed to other ionizers and, frankly, I hadn’t been impressed...this time I was feeling something quite different in my body in just the first few hours.

Over the next few days I drank more water and saw the presentation a few more times...by the 3rd day I looked in the mirror and I could not believe the results...I was losing body fat at a rate that was quite shocking...my recovery at the gym was at a phenomenal rate...I felt like I could run thorough the gym walls...the water was doing something so positive that I decided to put my reputation on the line and I entered the National Bodybuilding Championships...with only 2 weeks preparation I won in two different categories and qualified to compete for Natural Mr. Olympia in Greece...because of the Kangen™ Water my physique transformed; my life transformed; I’m thrust back into competition...I believe that Kangen™ Water, produced by the Enagic machine, is going to be the next great thing in athletic performance!”
